

## When to Provision

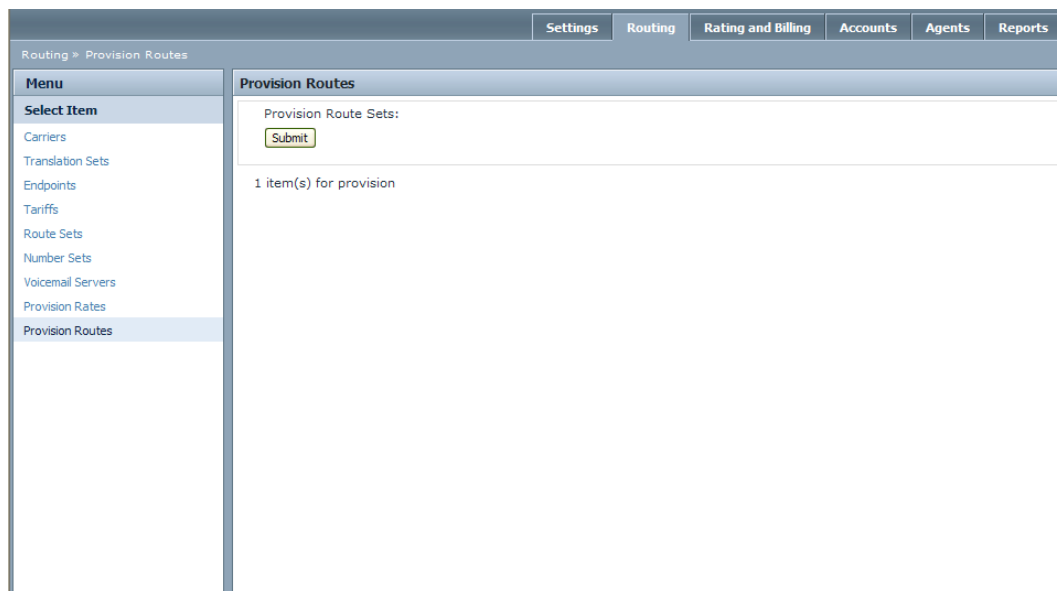

Provisioning is the process of preparing the system to allow it to provide new or changed services to its users. You have to provision every time you make changes in tariffs, number sets, translation sets, route sets, etc.

**Please note that you need to provision in order for any changes to take effect.**

In order to help you the system displays a warning when provisioning is required.

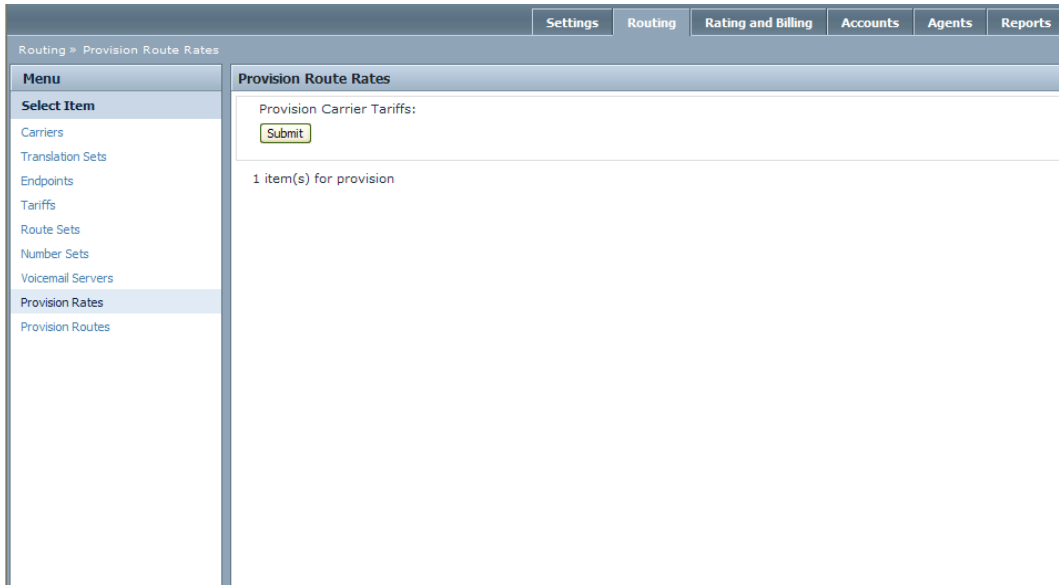

## Routing -> Provision Routes

You have to **"Provision Route Sets"** if you have made any of the following changes:

- Routing > Add/Update/Delete/Upload Translation Rule
- Routing > Add/Update/ Delete Route Set
- Routing > Manage Route Set (Add/Update/Delete Routes in Route Set)
- Routing > Add/Update/Delete Route Sets
- Account > Add/Update/Delete/Generate Numbers in Number Set
- After Provision Rates!

## Routing -> Provision Rates

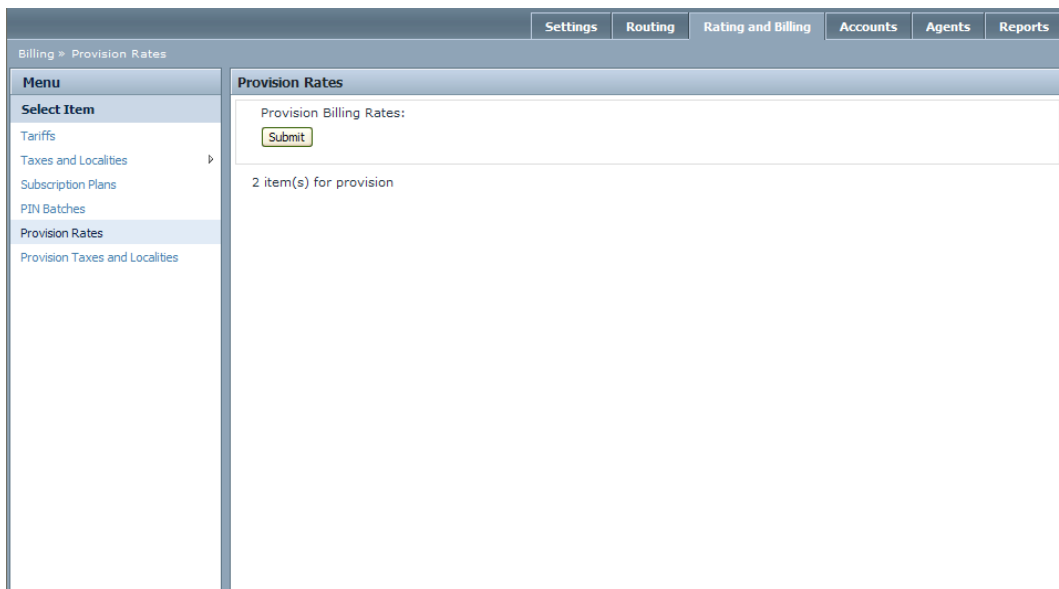

The screenshot shows the 'Provision Route Rates' interface. At the top, there are navigation tabs: Settings, Routing, Rating and Billing, Accounts, Agents, and Reports. The 'Routing' tab is selected. Below the tabs, the breadcrumb path is 'Routing > Provision Route Rates'. On the left, there is a 'Menu' sidebar with 'Provision Rates' selected. The main content area is titled 'Provision Route Rates' and contains a 'Provision Carrier Tariffs:' section with a 'Submit' button. Below this, it indicates '1 item(s) for provision'.

“Provision Carrier Tariffs” if you have made any of the following changes:

- Routing > Add/Update/Delete/Upload Rates in Routing Tariff
- Rating and Billing > Add Billing Tariff
- Rating and Billing > Add/Update/Delete/Upload Rates in Billing Tariff

## Rating and Billing -> Provision Rates

“Provision Rates” is the same provision as Provision Rates in Routes Tab.

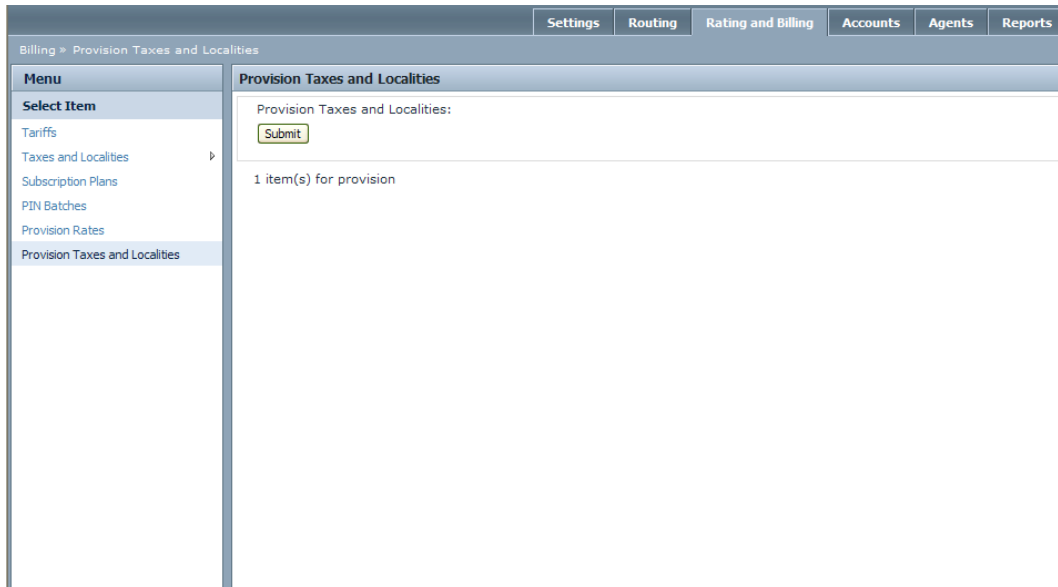

The screenshot shows the 'Provision Rates' interface. At the top, there are navigation tabs: Settings, Routing, Rating and Billing, Accounts, Agents, and Reports. The 'Rating and Billing' tab is selected. Below the tabs, the breadcrumb path is 'Billing > Provision Rates'. On the left, there is a 'Menu' sidebar with 'Provision Rates' selected. The main content area is titled 'Provision Rates' and contains a 'Provision Billing Rates:' section with a 'Submit' button. Below this, it indicates '2 item(s) for provision'.

“Provision rates” if you have made any changes in the following sections:

- Routing > Add/Update/Delete/Upload Rates in Routing Tariff
- Rating and Billing > Add Billing Tariff
- Rating and Billing > Add/Update/Delete/Upload Rates in Billing Tariff
- Rating and Billing > Add/Update/ Upload Rates in Tariff

## Rating and Billing -> Provision Taxes and Localities

The screenshot shows a web application interface with a top navigation bar containing tabs for Settings, Routing, Rating and Billing, Accounts, Agents, and Reports. The main content area is titled "Billing > Provision Taxes and Localities". On the left is a "Menu" sidebar with "Select Item" and several options: Tariffs, Taxes and Localities (with a right-pointing arrow), Subscription Plans, PIN Batches, Provision Rates, and Provision Taxes and Localities (highlighted). The main panel, titled "Provision Taxes and Localities", contains a form with the label "Provision Taxes and Localities:" and a "Submit" button. Below the form, it displays "1 item(s) for provision".

“Provision Taxes and Localities” if you have made any changes in Taxes or Localities.
